measurements in mm [in]

JETLASER		M100	M200	M500	M1000
LASER	Units				
Laser Power	W	100	200	500	1000
Laser Class		4			
Wavelength	nm	1064			
ELECTRICAL DATA	Units				
Power Supply	VAC	110 - 265	110 - 265	220 - 550	400 - 480
	Hz	50 - 60			
Power Consumption	kW max.	1.5	2	4	6.5
MECHANICAL DATA	Units				
Working Distance	mm	287		130/230	
Length of Fibre Cable	m	5		15	

APPLICATIONS

- Cleaning of molds, tools, and fixtures
- Paint, rust, and coating removal operations
- Pre-treatment of surfaces prior to welding, glueing or coating operations

SYSTEM

- Optimized for manual use
- Innovative approaches to ergonomics and worker safety by a symmetrical design
- Wide range of power levels from 100 to 1000 W
- Maintenance free solid state fibre laser
- Rugged mobile supply unit
